

Are you undergoing treatment for cancer? Delta Dental's Cancer Program can help.

Cancer treatment can often affect oral health. Delta Dental's Cancer Program is designed to prevent oral complications that sometimes arise during cancer therapy.

As a Delta Dental member, you may be eligible for additional preventive dental benefits during your treatment. We encourage you to see your dentist as soon as possible and share this information.

Do not hesitate to contact us at 1-877-335-8227 if you or your dentist has any questions.

Please note that all additional benefits will be subject to the plan benefit maximums.
