

## “I’m making a change for the better.” Bariatric Resource Services. Call to start today.

Obesity is a growing epidemic in the United States. It is the cause of many serious conditions including heart disease, diabetes and arthritis. If you’re considering bariatric surgery to lose a significant amount of weight, we are here to help.

Bariatric Resource Services (BRS) provides you with access to a team of clinical experts who specialize in weight loss and bariatric surgery. You’ll receive complete support before, during and after bariatric surgery.

Our Bariatric Resource Services nurses can help you:

- Find high quality Centers of Excellence network providers to make sure your surgery goes as smoothly as possible
- Learn about surgical options for best possible outcomes
- Find resources to help you meet your pre-surgical requirements
- Understand how nutrition and fitness can help you achieve success
- Adjust to and maintain lifestyle changes and avoid complication after surgery

The BRS program is already a part of your benefits, so there’s no extra cost. If you are considering surgery, please call to learn more, connect with a nurse, and locate a Center of Excellence provider near you.
